Subject: Application to become one of ECHA's Accredited Stakeholders

Dear *Dr. Dieter Drohmann*,

I am writing to thank you for your organisation's application to be accepted as one of ECHA's Accredited Stakeholder organisations in order to participate in ECHA's activities.

I am pleased to inform you that your application has been accepted.

On our website, you will find the updated Accredited Stakeholder organisations' list including your name.

The expression of interest that you made in our work has been passed on to the relevant Secretariats. In due course, you might be invited by the Committee Secretariats or by other colleagues to participate in our work but provided that your organisation is duly registered in the Register of Interest Representatives of European Commission.

We are looking forward to a mutually beneficial collaboration and I thank you once again for the interest that you have shown in our organisation.

With kind regards,

Andreas Herdina
Director of Cooperation
